Recurring Credit Card Billing

Recurring Credit Card

We are pleased to offer you a new payment option – the Recurring Credit Card plan. Now you can have your payment charged automatically to your credit card.

The Recurring Credit Card Plan Offers Many Benefits…

Convenient and Time Saving. The Recurring Credit Card plan is far easier than writing checks. Since the Recurring Credit Card plan is automatic, your bill will be paid whether you're on vacation, traveling on business or just too busy to pay bills.

On-Time Payments. With our Recurring Credit Card plan, you'll have no worries. Your payment is always on time. And you'll avoid late charges.

Easy Sign Up. We accept all cards with the VISA or MasterCard logo. Plus, it's easy to sign up for and easy to cancel.

Here Is How the Recurring Credit Card Plan Works…

You authorize regularly scheduled payments to be charged to your credit card. Then, sit back and relax. Your card will be charged once per month if you select "monthly" or once per policy term if you select "lump sum". As with installment billing plans, a service charge will be assessed for the monthly billing option.

We will send you a notice before your card is charged for the first time. This notice will state the amount and date of your first charge. If the amount to be charged to your card changes, you will receive advance notification before your card is charged.

All You Need to Do…
