

Boat

Write excellent coverage for most vessels up to 26 feet in length.

Boaters are passionate about their hobby, whether they are on board every weekend, or just the summer holidays. Their boat is likely well cared for and maintained, so many owners look for more than just the minimum of coverage. You can fully protect their investment from bow to stern. Most boat types are accepted, including antiques and personal watercraft.

Agreed value settlement eliminates depreciation

Before the policy activates, you as the agent, the owner, and our underwriters agree on the boat's value and insure it for that amount. In the event of a total loss, that agreed upon value is the payout amount. The deductible applies, but there is no depreciation and no one is surprised.
